Subject: Another version of the completeness checklist

Hi Jerry,

I need to clarify the email I sent earlier regarding the AE checklist. We have another version of the checklist, in draft, attached. The one I sent you was finalized for the purpose of the review of the Arroyo Grande package. Please note this is only DRAFT but contains the other criteria. Once we get closer to receiving a package, we would get closer to finalizing another version of the checklist. If you recall, as I mentioned, this comes directly from the EPA checklist attached to the Peter Gravatt memo which I know is posted on your website. I hope this clarification is helpful.

Sincerely,

Michele
